Personal Items

As stated in our Parent Handbook, personal items brought from home should be limited to comfort items for the younger children and Show-N- Tell items as specified by the teacher. Items brought in other than for these purposes will be held by the teacher, or Center Director, until a parent or other person designated for pick up arrives.

We strongly discourage toys from home being brought into the Center because of the potential loss or damage.

I, _____, parent of _____, understand that if my child should bring in a personal item from home, Schoolhouse Learning Center will not be held responsible for the item.
